

Proposed pay raise

Sharon Pease to me

My opinion?

I propose that the salaried wages be eliminated entirely and an hourly wage instituted. This way, if you want more money, you'll have to put in more hours for it just like 98% of the working population in NYS.

Oh; While we're discussing "compensation" let's take away the health care plan you currently enjoy and replace it with an "affordable health care" plan.

How about pensions? Could you tell me how many NYS workers get those? Other than NYS employees, that is....
