

NYS Salary Commission <nyscompensation@gmail.com>

Increase in salary.

I find it appalling the salaries that all these politicians make and they are getting increases. My husband and I are retired and on a fixed income. Social Security may be getting only a 3 percent raise. The last four years have been financially difficult. We can't keep up with the prices of everything going up. We are always told it is due to inflation. So how are our lawmakers who are already the highest paid getting increases?
